DUENDE

Designed by Anders Klem

Give vent to your creativity with the newest addition to the UIMAGE furniture collection – the Duende desk. Made from oak veneer, the Duende desk goes beyond aesthetics to create a workspace that connects with the essence of true creativity. Duende represents not only a desk but a feeling – a quality that encompasses the ever-expanding spirit of an artist at work.

The spacious desk allows you to properly unfold – whether you're working with spreadsheets or your next big creative project. The desk features a drawer that gracefully slides out from beneath the tabletop and keeps your notes, crayons, or stationary close to hand.
