COPENHAGEN

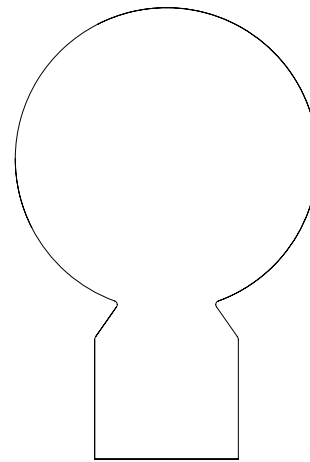

A PORTABLE LAMP DESIGNED FOR BOTH INDOOR AND OUTDOOR USE

Normann Copenhagen is excited to introduce Yo Lamp, a portable indoor-outdoor design that was previewed earlier this year at Copenhagen's annual 3daysofdesign festival. Its immediately captivating, almost caricatured form offers a playful take on the traditional table lamp, merging a cylindrical base with a spherical lampshade for a perfectly simple, yet bold and sculptural silhouette.

COLLECTION OVERVIEW

Yo Table Lamp Small
H: 27 x Ø: 15 cm

Yo Table Lamp Large
H: 60 x Ø: 40 cm

PRODUCT FACTS

Description

Yo Lamp is crafted with a unique rotational molding process using the highly durable and weather-resistant materials PE and ABS. This enables the lamp to be used both indoors and outdoors. It is suitable as both a floor lamp and a table lamp. An elegant, simplistic silhouette, the smooth union of the lampshade and base means that the entire lamp emits a charismatic, illuminating glow. Yo Lamp is battery-powered and offers three light intensity levels of 100%, 40% and 10%. Yo Lamp comes in two sizes, small or large and operates for up to 80 or 100 hours, depending on size.

Designer / Year Of Design

Simon Legald / 2024

Material

Lampshade: PE

Lamp battery box: ABS

Construction

Yo Lamp is a table lamp available in a small and large version made through a rotational molding process. The lampshade is made from PET and the battery box from ABS. Yo Lamp small / large version comes with a permanently integrated, rechargeable, low-energy LED light source which has 3 light intensity levels: 100%, 40% and 10% and a battery life of 15 / 7 hours, 30 / 16 hours and 100 / 80 hours, respectively, depending on the size of the lamp.

The lamp comes with a Type C magnetic charging head and USB magnetic charging cable with a length of 1 meter.

Maintenance

Before cleaning, disconnect the power and allow the lamp to cool down for 10 minutes. Mind to clean the surfaces of the lamp only. Clean the lamp with a soft, dry cloth only. If necessary, wipe the surface of the lamp with a soft, damp sponge or cloth, and wipe immediately with a dry cloth. Do not use alcohol or other solvents to clean the product and avoid using abrasive or rough sponges.

PRODUCT FACTS
YO TABLE LAMP SMALL

Classification

Class III

Ip rating

IP44

Dimmable funtion

3 levels (100% - 40% - 10%)

Voltage

Recharge input: DC5V 1A.

Please only use a 5.0V 1A USB power supply or a low voltage drive.

Fast charging cannot be used

Charging cable:

USB magnetic charging cable and Type-C suction adapter, 100cm

Charging time

0-100%: 7H

Battery life

100%: 15H / 40%: 30H / 10%: 100H

Light source - included

84 pcs LED

Power: MAX 0.2W / LED

Charging Power: DC5V 1A. Please only use a 5.0V 1A USB power supply or a low voltage drive. Fast charging cannot be used

CCT: 3000K

Output: 160lm / 70lm / 18lm

LED Lifetime: 25000 h

CRI: >80

Test

CE-EMC - EN55015 + EN61547

CE-LVD - EN62471

ROHS 2.0 - 62321

REACH - SVHCS.211

EN62133
