In 2022, the Danish design world witnessed the birth of a true sensation with Thomas Albertsen, whose Grasp portable lamp claimed the runner-up title on the hit Danish TV show 'Denmark's Next Classic.' Although his reputation as a household name in Denmark was first solidified with Grasp's blend of elegant aesthetics and unparalleled functionality, Albertsen has already enjoyed an illustrious career as a product designer.

Graduating from the prestigious Danish Design Academy in 2007, his creative genius has spanned a wide spectrum, from crafting imaginative children's furniture to illuminating interiors with his distinctive lighting designs.
